

Clinton Water Utility Office
Service Application and Agreement

The undersigned "Customer" requests utility service at the described service address from Clinton Utility and agrees to be governed by and comply with all applicable ordinances, rules, and regulations. The "Customer" also agrees to the following:

- 1. To assume responsibility for installing, inspecting, maintaining, and repairing any piping or other facilities on the Customer's side of meter; to make certain all water-using facilities are turned off water service is started; and to ensure all Clinton Utility property, including meter, is unobstructed and accessible to company.
- 2. Clinton Utility is not responsible for any damages to the premises from flooding due to condition of water facilities or appliances on Customer's side of meter for negligence of third person or forces beyond control of Clinton Utility resulting in any interruption of service or damage to Customer or Customer's premises. Clinton Utility does not guarantee uninterrupted service or service at a specific water pressure or gallons-per-minute flow rate.
- 3. Meters will be read and bills rendered monthly. Bills are due when rendered. Failure to receive bills or notices shall not prevent such bills from becoming delinquent, nor relieve the Customer of their obligations.
- 4. A Water Deposit is required before service can be provided. Cash, check, money order and/or credit cards are accepted. The deposit can be transferred to a new account in the case of new residency. The deposit will not be returned until service is permanently discontinued and the final bill has been satisfied.
- 5. If the property you are requesting water service for, is a rental property, the owner of that property has the right to inquire about any outstanding balances on that property.
- 6.. Any costs incurred, by The City of Clinton Utility Department, in collecting outstanding water bills will be charged back to the customer/s requesting water service and may affect that person/s credit rating.
- 7. All outstanding utility bills not paid will be divided into the sewer portion and the water portion. A sewer lien will be placed on the property for the sewer portion of the bill and the water portion will be turned over to a collection agency to be collected from the person/s name/s on the application.
- 8. The City Utility is only responsible for the sewer Main. The resident is responsible from the residence to the sewer main including the tap on the city's sewer main.
